

RELIC PEDRO XIMENÉZ DE BARBADILLO

This unique wine originates from casks of some old Pedro Ximénez that Don Rafeal Terán Carrera left to Don Antonio Barbadillo Ambrossy at the end of the 19th century.

These then formed part of the solera established in 1921 in the 'Petro' winery in Sevilla Street, which Don Antonio purchased just two days before he passed away. They are now kept in the Sacristia cellar.

Colour: Iodine black.

Aroma: A complex array of dried fruits : prunes, raisins, dates figs and a touch of molasses.

Flavour: Opulently sweet, with intense deep Medjoul date flavor, very long on the palate
