

ATAMÁN

ORIGINAL VERMUT

Inspired by the 'Ataman' vermouths and tonic wines that have been ageing for decades in the cellars of Bodegas Barbadillo.

The 'Ataman' brand was registered by Barbadillo in January 1943. At times we ask ourselves what prompted Manuel Barbadillo to use the name of a Cossack general for this vermouth, but sadly we have no answer.

What we do know is that this cavalier of old returns once more, full of life and character. Of character..... and of absinth, Quassia tree bark, Seville orange, rosemary and elderberry
